

eBookCentral

Windows 8 Windows RT

You will need: a library card and PIN, a device running Windows 8 or Windows RT, and an Adobe ID.

If you're running Windows 8 or Windows RT, then you can install OverDrive Media Console <bit.ly/ULLdXw>

Only Windows 8 devices can install desktop version of OMC <overdrive.com/software/omc/>

File types: EPUB ebooks and MP3s with OverDrive Media Console, WMA and WMV with OverDrive Media Console for Windows 8, Kindle with Kindle app

Getting started

1. Make sure you have a current library card.
2. Install OverDrive Media Console for ebooks and MP3 audiobooks
3. Launch OverDrive Media Console.
4. Authorize your device. You will need to enter your existing Adobe ID or create one if you don't have one.
5. If you'd like to install OverDrive Media Console for Windows 8, find instructions [here](#).
6. Tap the Get Books + button.
7. Tap Add a Library.
8. Enter your ZIP code or the name of your library. Find the name of your library, and then tap the star next to the name to add it to your list of libraries (you can add other libraries that you go to, like Brooklyn Public Library or Queens Library!)
9. Tap the name of the library to go to the ebook catalog.

Checking out ebooks

1. Look for books marked as EPUB. PDF is not compatible with the OverDrive app, but you can open PDFs with other apps that support Adobe DRM.
2. Once you find a title you wish to download, click Add to eList. You have 30 minutes to complete your checkout before the eBook is returned to the library's collection.
3. If you see an item where this is not an option, click Request Item to be placed in the hold queue. You will get an email when your book is available.
4. Click Proceed to Checkout. Enter your library card number and PIN.
5. You can adjust the lending period to 7, 14, or 21 days. You may check out up to 12 eBooks at one time. After choosing your lending period, click Confirm Checkout, and then click Download on the next page.
