

# Teen Centers at NYPL

Hang out, get creative, and much more at the Library's expanded and enhanced Teen Centers! These welcoming spaces in libraries across the Bronx, Manhattan, and Staten Island have been created just for teens and are open for you to collaborate, make new friends, read, and enjoy all the Library has to offer. Explore a range of great state-of-the-art tech and media tools, including video and photography equipment, gaming consoles, 3-D printers, computers, Wi-Fi, and free programs and events—**plus, at select locations, fully equipped recording studios!**
