Let's Explore Colors
Here are some songs to sing together!

**Rainbow Colors Song**
[to the tune of “Twinkle, Twinkle, Little Star”]

First comes red, and orange too  
Shiny yellow, green and blue  
Purple ends the pretty rays  
Only seen on rainy days  
First comes red and orange too  
Shiny yellow, green, and blue!

**What's Your Favorite Color?**

My favorite color’s blue.  
How ‘bout you, how ‘bout you?  
My favorite color’s blue.  
How ‘bout you, how ‘bout you?  
Red!

My favorite color’s red. I like red, I like red.  
My favorite color’s red. I like red, I like red.

Colors, colors. What’s your favorite color?  
Colors, colors. What’s your favorite color?

Let's Explore Colors
Here are some activities the whole family can do together!

**Colors of the Rainbow Hunt**

Go on a hunt around your home for objects that are all the same color—begin with red, then work your way through orange, yellow, green, blue, and purple.

For older children, begin by setting a timer for 3-5 minutes and drawing or writing every object you have at home that begins with this color.

Once the timer goes off, hunt for the objects and see how many you remembered.

**Rainbow Dress-up Parade**

Get those wiggles out and have an indoor parade! Dress up in as many colors of the rainbow as you can, the sillier the better. Think about different colored socks, shoes, scarves, even hats and gloves.

Line everyone up, then put on your favorite marching music, line up, and march around your home!

If your neighbors are understanding, you can add bags of rice to shake and pots/pans/boxes/spoons to bang as your instruments.
