

Key Ideas and Trends in Business

Opportunities for Startups, Investors and Job Seekers

July 16, 2019 | 6:30 - 7:30 PM

The world of business is changing at an ever-faster pace, creating new opportunities for entrepreneurs, investors, and job seekers alike. **Jack Plunkett**, CEO of Plunkett Research, Ltd., will have a no-holds-barred discussion of technologies, demographics, population growth, consumers and business sectors. Learn about trends in business, opportunities, industries, and how to find business data and ideas in your Library.

No registration required.
Program is free and open to the public.
